EXPLANATORY STATEMENT.

There has been rapid increase in the population owing to industrialization, migration and various other factors, putting pressure on land and infrastructure in the Chennai Metropolitan Planning Area leading to unauthorized developments which are not in conformity with the provisions of the Acts, building rules, regulations and bye-laws in force in the Chennai Metropolitan Planning Area.

2. The Government have constituted a committee headed by a retired Supreme Court Judge to look into all aspects of developments and to suggest necessary modifications to the Tamil Nadu Town and Country Planning Act, 1971 (Tamil Nadu Act 35 of 1972). The committee is looking into the aspects including various aspects of unauthorized constructions and unauthorized use of the premises and yet to submit its recommendation. It is expected that the recommendations of the committee aforesaid may involve substantial amendments to the Tamil Nadu Town and Country Planning Act, 1971 (Tamil Nadu Act 35 of 1972) and some with retrospective effect, and in particular to the provisions relating to construction and use of the premises, thereby changing the position as obtaining now under the said Act.

3. The Chennai Metropolitan Development Authority has prepared the draft Master Plan II for Chennai Metropolitan Planning Area, with the perspective year 2026 keeping in view the emerging new dimensions in urban development, and the finalization of the Master Plan-II for Chennai Metropolitan Planning Area, 2026 is likely to take some more time. It is also expected that the Master Plan II for Chennai Metropolitan Planning Area 2026 may change the present position in urban development.

4. A comprehensive policy for the improvement of slum areas and resettlement of the people in slum area wherever necessary in the Chennai Metropolitan Planning Area is contemplated by the State Government.

5. A detailed study of the issues relating to unauthorized occupation by the vendors and hawkers in the public streets is contemplated with a view to evolving a scheme for regulating their activities in terms of the Master Plan II.

6. Action for violation of the provisions of the Acts, buildings rules, regulations, bye-laws in force in the Chennai Metropolitan Planning Area before a final view is taken in the matter by the Government may cause avoidable hardship and irreparable loss to a large number of people including small traders.

7. The Government have, therefore, enacted the Tamil Nadu Laws (Special Provisions) Act, 2007 (Tamil Nadu Act 39 of 2007) so as to defer the enforcement action by the authorities against the violation of laws in force. The validity of the said Act, has been challenged before the High Court, Madras and a Division Bench of High Court, Madras has quashed the said Act. The Government have filed Special Leave petition before the Supreme Court of India against the above Judgment of High Court, Madras. The Supreme Court of India has ordered to maintain the *status-quo* as on 14-12-2007. Since, the said Tamil Nadu Act 39 of 2007 will cease to operate from the 27th day of July, 2008, there is an urgent

TAMIL NADU GOVERNMENT GAZETTE EXTRAORDINARY

need to defer such enforcement action in Chennai Metropolitan Planning Area for a period of one year. The Government have, therefore, decided to bring in a legislation for the above purpose.

8. The Ordinance seeks to give effect to the above decision.
